

## Vista C Door

Energy Savings with Excellent Product Visibility

## Vista C DOOF Energy Savings with Excellent Product Visibility

Anthony's energy saving Vista C swing door is perfect for refrigerated reach-in displays.

## Vista C Features

- · Zero energy normal temperature door
- Improved food safety as a result of Vista C consistent enclosed temperatures
- · Sleek design for refrigerated products or floral displays
- Thin 7/8" glass pack and no center mullion for high visibility
- · 2-pane non-heated (NT) glass
- Front-load raceway eliminates need to service from inside the case cold zone
