Subject: **Anthony Supports Speedway and QuikTrip Charity Events**

As part of this great community, we as individuals—and collectively as an organization—share a responsibility for the future of our society. By exercising compassion for our neighbors we build a foundation for prosperity while inspiring others to stand up and make a difference. Anthony has always recognized this responsibility and recently participated in two charity events to better the future of our society: **Speedway Miracle Charity Event** in support of the **Children's Miracle Network Hospitals**[®] and the **QuikTrip**[®] **Folds of Honor Annual Fund-raiser**.

The Speedway Miracle Charity Event, held June 14, raises annually more than \$1 million in a single-day to benefit Children's Miracle Network (CMN) Hospitals. CMN Hospitals raises funds for 170 children's hospitals across North America, which use the money to improve the lives of children battling illnesses through research, equipment, and uncompensated care. Anthony donated \$10,000 to CMN Hospitals to participate at this year fund-raiser. At an Awards Dinner, Anthony representatives were able to spend quality time with our sponsored child, Jayden, and presented him and his family a special gift on behalf of Anthony and our partners, Kysor Panel Systems and Zink Marketing. I encourage all of you to [watch the video](#) of Jayden's reaction as Jim Zink, Anthony's Sale Representative, presents our gift. Seeing our sponsored child's reaction to this gift has been one of my most gratifying moments since joining Anthony.

The QuikTrip Folds of Honor Annual Fund-raiser was held June 6, at The Patriot Country Club, in Tulsa OK. The Folds of Honor Charitable Foundation raises money to provide scholarships and assistance to the spouses and children of our US Military forces killed or disabled in service. This year Anthony contributed \$5,000 to participate at this year's fund-raiser and over the last ten years our valued customer, QuikTrip, has raised over \$10 Million to support this special cause.

Fundraising has always been a part of the Anthony's culture and it gives me great pride to represent Anthony alongside our customers at these fundraising events. I believe strongly in Anthony's commitment to the community and fundraising at these events supports our military and children, and forges a stronger relationship with our customers.

As always, thanks to all of you for your continued support, cooperation and talents as we move toward a future filled with promise and reward.

Best Regards,

Craig Little
