

Model 401 International Series

The Model 401 Series is our entry level door that offers robust construction, highly reliably, and energy efficiency. Standard features include tempered safety glass, frame heaters, T-8 light fixtures, along with five 24” deep white or black epoxy-coated flat shelves per door with matching price tag molding, galvanized steel posts, and shelf brackets. The Anthony Energy Controller is a required add-on. All prices are subject to change without notice.
