# Eliminaator Series Door

Energy-Efficient  
Aluminum Frame Door

Anthony's Eliminaator door is a highly energy-efficient door and frame system for both cooler and freezer applications

## Eliminaator Series Features

- Utilizes warm edge technology to completely eliminate all glass heat in freezer doors
- Easily retrofits to Model 101 frames
- Optimax Pro 24 LED option provides up to 75% energy savings vs. fluorescent
- Qualifies for energy rebates in many regions
