

Auto Beer Cave Door

Modernize the Cave
with Maximum
Merchandise Visibility

Offering enhanced visibility for products, Anthony's Fully Automated Beer Cave Door provides a welcoming futuristic entryway.

Auto Beer Cave Door

Modernize Merchandise Visibility

The Anthony Auto Beer Cave Door provides merchandisers an ultramodern look in the beer and wine aisle that will make your products visible and easily accessible. Engineered to keep beverages ice-cold, the heated glass ensures zero condensation on the display.
