

## **Anthony<sup>®</sup> Opens New Production Facility in Conyers, GA**

**Sylmar, CA, USA – February 5, 2015** – [Anthony<sup>®</sup>](#), is pleased to announce the opening of its newest manufacturing plant in Conyers, Georgia. The Conyers' facility will add 130,000 square feet of production capacity and complement Anthony's other facilities in Sylmar, CA, Madison, GA, and Shanghai, China.

This new facility will not only address Anthony's recent growth, but is also equipped for maximum productivity and quality assurance, including state-of-the-art production equipment and RFID product tracking to help lower operational costs. Additionally, this facility will enhance Anthony's delivery capability to east coast customers, while simultaneously lowering freight expenses.

“Our overriding mission for opening this facility is to provide optimum service to our customers,” said Anthony President, Craig Little. “Expanding our production footprint, leveraging state-of-the-art technology and positioning ourselves closer to our customers, represents our commitment to serving our customers at the highest levels.”

Mr. Little goes on to say, “The opening of the Conyers facility also helps Anthony satisfy one of its strategic initiatives, which is to grow the Anthony brand. This next step in Anthony's growth will also help the company continue to produce and provide products for its expanding customer base that enhance merchandising, ensure food safety and protect the environment.”

Anthony is a manufacturer and solutions provider of glass doors, lighting systems and display equipment for use in commercial refrigeration systems. For more information on Anthony, please visit [www.anthoniyintl.com](http://www.anthoniyintl.com).
