The No-Barriers View

The Anthony® Vista® B delivers an unobstructed view that creates the feeling of having no barrier between the customer and merchandise. The thin profile, all-glass doors offer durability and feature the exclusive Vista Arch handle to minimize any perceived barrier and to enhance clear product visibility.

- Single- or double-door sets
- Thin profile all-glass doors
- Enhanced customer comfort in warmer aisles
- Maximum merchandising visibility
- Available for Sale Outside US Only

Vista[®] B | Optimum Visibility

Anthony's Vista B presents customers with a perfectly unobstructed view of the products. Available as single- or double-door sets, the Vista B provides attractive style with the durability Anthony customers have come to expect.
